SIR:

This is in response to the Office Action dated June 27, 2003. Reconsideration of the application in view of this response is requested.

The following is the Substance of the Interview between the undersigned attorney and Linda J. Sholl, Special Program Examiner, dated June 6, 2003, including a description of the general nature of what was agreed to and other comments:

[The Special Program Examiner] notified applicant's representative [the undersigned attorney] that the appeal is withdrawn in view of the [decision in] *Ex parte Yamaguchi*, 61 U.S.P.Q.2d 1043 (Bd. Pat. App. & Int. 2003) and that an office action will be forthcoming.

That Office Action was the one that issued June 27, 2003. In the Office Action, the Examiner stated:

The application is in condition for allowance except for the following formal matters:

The original patent or a statement as to loss or inaccessibility of the original patent must be received before this reissue application can be allowed. . . . [Emphasis by the examiner].

To comply with this requirement, a surrender of the original patent is filed concurrently herewith.

It is believed that the reissue application may now be allowed.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Box Non-Fee Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA. 22313-1450, on August 27, 2003.
